

External Recognition

LIPOR, since the beginning of the 2000s, has guided its work for excellence and continuous improvement.

It is very important for us that this work is recognized externally, which is an additional motivation to continue this path, serving citizens with all the dedication and commitment.

We list here some of the most recent of these remarkable moments.

2022

- LIPOR was distinguished with 1st place in the Work Excellence Index, in the Public Sector category. This organizational climate and human capital development study is developed by Neves de Almeida HR Consulting in partnership with Human Resources and ISCTE Executive Education.
